

Home-Based Services

Home-based services are an intensive service approach provided in your home, school, or community focusing on: family-driven and youth-guided treatment; advocacy for your family; opportunities to resolve challenges that have prevented your child from thriving at home, school, work, or other social settings; therapy to address ongoing behavioral/emotional concerns of your child; and supports to empower parent(s)/caregivers.

Information & Assistance

For further information or for questions or concerns, please contact:

Customer Services:
(734) 243-7340 TTD: 7-1-1

Suicide and Crisis Life Line: 9-8-8

What is expected of me?

- Parents and child participate in scheduled appointments
- Support each other in the treatment process
- Understand that progress takes time, is a commitment, and is a process

What to expect from my therapist?

- Home-based weekly visits, minimum of 1 hour per week
- Supports to understand the needs of your child
- Guidance and advocacy in times of crisis
- Help connecting the family to the community for support and resources

Who is eligible?

- Youth aged 4-21 that have a mental health or substance use disorder
- Youth with mental health needs, adverse childhood experiences like neglect and violence, social or emotional impairment and delay, and challenges at home, school, or in the community
- Families that are not receiving similar services from another agency or have not been successful when participating in similar services in the community
