OBSERVATIONS:

- Complaints received involved multiple allegations.
- Consistent with previous years and the normal ebbs and flow of complaint activity.
- Monitoring, education, consults and proactive activities by the Rights Office continue.
- Keeping perspective: Consider data in light how many consumers we serve (2,418 individuals in FY 23) and how many minutes every day they receive services and things could go wrong.

SERIOUS HARM ALLEGATIONS

Category	Received	Substantiated
Abuse Class I	1	0
Neglect Class I	0	0

OBSERVATIONS:

- No substantiations involving serious harm (death, serious injury, sexual abuse).

TOP VIOLATIONS

Category	Received	Substantiated
Neglect Class III	16	10
Mental Health Services Suited to Condition	13	9
Safe, Sanitary, Humane Treatment Environment	10	9

OBSERVATIONS:

- Top violations in prior years and consistent with trends across the region and state.
- Neglect III: Involves staff failure to follow a written standard (such as IPOS, behavior plan, doctor's order, etc) and which poses a risk of harm.
- Services Suited to Condition: Involves staff failure to follow a written standard but there's no risk of harm.
- Safe, Sanitary, Humane: Involves staff misbehaving in presence of consumers or staff failure to address environmental health and safety issues.

TOP PROVIDER VIOLATIONS

OBSERVATIONS:

- MRO/CHS deliver services in multiple settings: CLS apartments, Group Homes and/or Day Program/Skill Bldg
- All are bigger providers, have challenging cases & are good self-reporters, which likely leads to more substantiations.

COMMITTEE MEMBERS

Susan Fortney, Chair; Rebecca Curley; Rebecca Pasko; Deb Staelgraeve; Chantele Steffens; and Michael Humphries (Ex-Officio).

DRAFT MINUTES

I. CALL TO ORDER

Susan Fortney called the meeting to order at 5:00pm. Susan Fortney, Chantele Steffens, Rebecca Curley, Lisa Graham, Crystal Palmer, and Bridgitte Gates were present. Rebecca Pasko, Deb Staelgraeve, and Mike Humphries were excused.

II. CHIEF CLINICAL OFFICER UPDATE

- a. Crystal Palmer pulled out the highlights from the Clinical Updates Report and created an Executive Summary for the committee. Crystal presented the Executive Summary highlighting staff vacancies, Michigan Certification Board for Addiction Professionals (MCBAP) credentialing, leadership training, community outreach, and services.
 - i. Clinical Updates Report – Attachment A
 - ii. Crisis Mobile Utilization Report – Attachment A1
 1. Lisa Graham commented that as a Board, to be aware of and thinking about, this is not an inexpensive program to run. We want to make sure the community is aware we have this program and are using it. The cost to keep a 24/7 crisis team for the number of deployments, we want to make sure that Law Enforcement and the community his utilizing the service. Providing a 24/7 Crisis Molie is a requirement for CCBHC.
 - i. Chantele Steffens suggested asking Revel to help flood the community with knowledge of the Crisis Mobile program. Lisa Graham commented that a card with crisis services information could be developed and shared in the community, at schools, churches, etc.
 2. Susan Fortney suggested to add the number of people referred against categories for the Number of Referrals Made and Where They Were Referred to graphs.
 3. Susan Fortney suggested to track numbers for mental illness, substance abuse, or both against demographics for a deeper breakdown.
- b. Operations Update
 1. Bridgitte Gates presented the Operations Report highlighting the topics: Customer Services; Revel projects; Kiosks; and 1st Quarter Grievances.
 - i. Chantele Steffens asked Bridgitte to clarify the process for when a consumer is running out of medication.

 - iii. Susan Fortney commented on a low rating when you search Monroe Community Mental Health on the internet. This could be a Google, Yelp, or other third-party rating service that cannot be removed. Chantele suggested to work with Revel to do a push for 90 days to increase the rating and consider a prize drawing for completing a survey and rating.
 - iv. Chantele asked how we can support New Directions in getting their information into the community on a card as the font is hard to read. Rebecca Curley suggested this was a good place to start and to consider advertising in Monroe News. Lisa Graham commented that flyers with the same information will be provided in the community and can provide an article for the Monroe News.

2. Leadership from MCMHA met with Wayne State University's Center for Behavioral Health and Justice along with other communities across the state for a quarterly Post Overdose Rapid Response Convening to work on ensuring continued development of our overdose response to be as optimal as possible.
3. In the spirit of continuous improvement, Salvation Army Harbor Light provided a presentation for MCMHA's Jail Diversion team to ensure there was a full understanding of their scope of practice to ensure utilization of their services.

"I just wanted to say thank you for planning the Trauma training for our staff at the MCYC. I have heard so many great comments and compliments about the training from our staff the past almost 2 weeks. Please pass on our gratitude to the rest of your staff as they did an amazing job!! We will do our very best to use what we learned to help the youth in our community. Thank you, Brian Faunce, and the rest of the MCYC staff"

MCMHA is proud to offer this to the Monroe County Youth Center and value this collaborative working relationship.

MISCELLANEOUS

Call Volume Data

Below is the call volume data for Fiscal Year 24.

	23-Oct	23-Nov
Incoming Calls	3929	3967
Incoming calls minus abandon calls	3863	3905
Calls Answered	3653	3680
Missed/Abandoned Calls	66	62
Abandoned Calls	265	276
% incoming calls answered	93%	93%
% incoming calls answered minus abandon calls	98%	98%

Key: Abandoned means that no one was on the other line when the call was answered.

Missed is someone calls in and the call wasn't answered as staff could have been on their phones taking care of others. Duplication of missed and abandoned.

As stated previously, MCMHA is setting an internal goal of 95% of calls answered. MCMHA has been working with 8x8 to clean up the data. There are calls that are "zero" seconds long which are still being considered abandoned or missed due to calls even though these could be cell phone calls dropped, etc. Therefore, with some assistance, MCMHA's IT department is able to look at the calls a little more in depth and more accurately report the numbers. As you can see, during the months of October and November 2023, we are at 98% which is over our goal of 95%.

RECIPIENT RIGHTS ADVISORY COMMITTEE MEETING MINUTES

December 14, 2023 3p.m. – 4:30 p.m.

Present: Pam Ray (Chair), Ilene Dussia, Susan Fortney, Sondra Thorn, Mary Ball, Coy Hernandez, and Shelley Koyl

I. CALL TO ORDER

The meeting was called to order at 3:11 pm by Pam Ray. Roll call complete. Pam welcomed everybody to the meeting. There were no audience comments.

II. REVIEW AND APPROVE

Meeting Minutes: Susan made a motion to accept the meeting minutes from August 17, 2023. Sondra seconded. All in favor.

Funding of the Rights Office: Shelley reviewed the current funding of the Rights Office with the committee. The committee determined that the Rights Office is currently adequately funded and staffed to perform its mandated functions with 2 Full-Time staff.

Annual ORR Data Report & Recommendations to the Board: Coy and Shelley reviewed the report and the Executive Summary (handouts). Of note for FY 22/23, ORR investigated 85 allegations. This was a slight increase from last fiscal year, but represents a normal ebb and flow of complaint activity. Of the 85 allegations investigated, 51 violations were substantiated with no violations of serious Abuse or Neglect. The top violations during the Fiscal Year review period were Neglect Class III, Mental Health Services Suited to Condition, and Safe, Sanitary, Humane Treatment Environment. The top providers with violations were MCMHA, Macomb Residential, and CHS. In depth discussion occurred about overall observations, examples of violations, mandated reporting practices, and how the potential for staff "job hopping" between providers is addressed. No significant trends were noted. Pam also noted the importance of considering the data in light of the number of persons served (2,418) and explained how it can be a common misconception and/or not realistic to think that there should be no rights violations. The Committee reviewed the Recommendations to the Executive Board from the previous year and the Committee agreed all were important. The group agreed all recommendations should remain the same with the exception of amending #2 to say, "Ensure that recipients of services are aware of and receive the services to which they are entitled. This includes the sufficient staffing of mental health professionals as overall service needs continue to increase." Sondra made a motion to accept the ORR Data Report & Recommendations to the Board. Ilene seconded. All in favor.

III. RIGHTS OFFICE UPDATES

Coy noted that Lenawee CMH went through their triennial Rights System Assessment by the State in September, 2023. Lenawee received a score of Full Compliance with minor findings that have since been addressed/adopted by the Regional Rights Group to close any potential gaps in practices. The auditors were very complimentary of Lenawee's rights protection system and all of the support that is provided by the Regional Rights Group.

Coy shared that MCMHA's triennial Rights System Assessment is likely to occur in March (2024). The Regional Rights Director recently conducted a review of Monroe ORR's office in preparation for the audit. A mock audit by the Regional Rights Group has also been scheduled for January (2024). Washtenaw CMH will be assessed in late 2024.

Coy noted that Washtenaw ORR had a vacancy open in September which has since been filled. Sarah Starkey, previously a Washtenaw CMH staff for many years, is set to transition over to the Washtenaw ORR Team on 1/2/24.

Shelley provided an update on MCMHA's designation of being a Certified Community Behavioral Health Clinic (CCBHC) as of 10/1/23. The CCBHC designation is a great opportunity for MCMHA to provide services to anybody in the community that applies for services, and also includes the Crisis Mobile Unit being fully operational. The Agency has seen an increase in service provision within the community and continues to hire staff to meet programing needs.

Pam reviewed the 2024 RRAC Meeting Schedule. The meetings will be held from 3pm-4:30pm in Sycamore on: 5/9/24, 8/15/24, and 12/12/24.

IV. PARKING LOT

None

V. ADJOURNMENT / Next Meeting – Pam adjourned the meeting at 4:44p.m. The next meeting is scheduled for May 9, 2024 at 3pm in Sycamore.

Respectfully submitted,

Pam Ray, Chairperson
Recipient Rights Advisory Committee
